

# TREES & UTILITIES

A partnership of the Utility Arborist Association and the Arbor Day Foundation

**TREES AND UTILITIES** IS THE CHIEF LEARNING AND ENGAGEMENT EVENT IN THE WORLD FOR UTILITY VEGETATION MANAGERS AND ASSOCIATED URBAN FORESTRY PROFESSIONALS.

**DON'T MISS OUT ON ALL IT HAS TO OFFER!**

[treesandutilities.org](https://treesandutilities.org)

**SEPTEMBER  
20-22, 2022  
MILWAUKEE,  
WISCONSIN**

EARLY BIRD: \$375  
REGULAR: \$450  
LATE: \$500  
ON-SITE: \$550

## BENEFITS OF ATTENDING

- **UTILITY ARBORICULTURE RESEARCH:** Discover firsthand new, cutting-edge utility arboriculture research, regulations and technology.
- **BEST MANAGEMENT PRACTICES:** Benchmark and collaborate with other industry leaders to learn best management practices to share with colleagues back home.
- **ENVIRONMENTAL CONCERNS:** Learn about environmental hot topics from industry leaders and what we can do to improve our surroundings.
- **WOMEN IN VEGETATION MANAGEMENT:** Hear from a diverse and talented group of women and men in utility arboriculture — and allied professions — discussing career paths, challenges, and success stories.
- **DEVELOPMENT OPPORTUNITIES:** Take advantage of professional development opportunities to return more motivated and passionate about your work.
- **CEU'S:** Earn the majority of Continuing Education Units you need for the year to maintain both your Utility Specialist credential from the International Society of Arboriculture (ISA) and your Certified Treecare Safety Professional (CTSP) credential from the Tree Care Industry Association (TCIA).
- **TRADE SHOW:** Visit with conference vendors and sponsors and learn about the latest products, equipment, and research.
- **NETWORKING:** Connect with leaders in utility arboriculture and create lasting professional relationships.

**JOIN YOUR UTILITY COLLEAGUES** FOR THIS EVENT TO HELP IDENTIFY NEW IDEAS, PRACTICES, AND PARTNERSHIPS.
